Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Wilson III Basin Project in fiscal year 2024. The entity to receive funding for this project is the City of Yucaipa, located at 34272 Yucaipa Blvd, Yucaipa, CA 92399. The funding would be used for flood control. The project is an appropriate use of taxpayer funds because the Wilson III Basin will serve as an important flood control and groundwater recharge project that will benefit the City and broader region.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jay Obernolte
Member of Congress
